Community

## **COVID-19 CODE OF CONDUCT – WORSHIPPER**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

As part of the church's effort to protect everyone who utilizes our facilities, all **in-person worshippers** are required to comply to this Code of Conduct.

I acknowledge that mask wearing is **optional** while inside the church effective March 06, 2022.

I will attempt to remain at least 6 feet apart from those who are not members of my household.

I will wash my hands using CDC recommended handwashing procedures throughout the day.

I will not enter church facilities if I have symptoms of COVID-19. Such symptoms include, but are not limited to chills, shortness of breath, dry cough, sore throat, or a fever of 100.4 degrees or higher. If I develop such symptoms, I must be symptom-free for 72 hours before returning to Church facilities.

I will limit my exposure by complying with all federal, state, county, and local stay-at-home orders and will follow any recommendations from the federal, state, and/or local authorities that limits my risk for exposure.

I will cooperate with any attempts to prevent exposure on Church facilities by permitting Church to take my temperature, if requested.

I will immediately notify: Israel Olivieri Jr., Asbury Church Business Manager, if I test positive for COVID-19, am a presumed positive, or if I develop any of the symptoms of COVID-19 listed above.

I will immediately notify: Israel Olivieri Jr., Asbury Church Business Manager, if I become aware that I was exposed to someone who has tested positive for COVID-19 or is a presumed positive.

I will follow all other rules, recommendations, and/or procedures adopted by the Church to prevent exposure to COVID-19 and protect the health and welfare of the Church community.
