The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, either prohibited and/or limited the congregation of groups of people.

As part of the church's effort to protect everyone who utilizes our facilities, all **members/participants of an approved Asbury Group** are required to comply to this Code of Conduct.

I will wash my hands using CDC recommended handwashing procedures throughout the day.

I will not enter church facilities if I have symptoms of COVID-19. Such symptoms include, but are not limited to chills, shortness of breath, dry cough, sore throat, or a fever of 100.4 degrees or higher. If I develop such symptoms, I must be symptom-free for 72 hours before returning to Church facilities.

If I am NOT FULLY VACCINATED, I will wear a mask while on church property, and/or while engaged in the approved church activity, and will remain 6 feet from all other people who are not members of my household.

I will limit my exposure by complying with all federal, state, county, and local mitigation and/or prevention orders, and will follow any and all recommendations from these same authorities, that limits my risk for exposure and/or spread of the COVID virus.

I will cooperate with any attempts to prevent exposure on Church facilities by permitting Church to take my temperature, if requested.

I will immediately notify: Israel Olivieri Jr., Asbury Church Business Manager, if I test positive for COVID-19, am a presumed positive, or if I develop any of the symptoms of COVID-19 listed above.

I will immediately notify: Israel Olivieri Jr., Asbury Church Business Manager, if I become aware that I was exposed to someone who has tested positive for COVID-19 or is a presumed positive.
